

MARRIED.— At M. Stephen's Church, by Rev. John J. Brown, of this City, to H. BLAETNER, son of Dr. John J. Blaetner, of Elizabethtown, Pa., on Friday, March 22. ALBERT V. BACKER, aged 50 years and wife.

DIED.—On Friday, March 22, ALBERT V. BACKER, aged 50 years and wife.

The sons and grandsons of the family, and members of Greenleaf Lodge, A. O. U., are respectfully invited to attend the funeral, from 12 o'clock to 1 P.M., at the First United Grand Lodge of Masons, No. 30, at 84½ Grand St., on Sunday, April 1, at 8½ o'clock.

He sought a good fight, and found one, he says in peace.

COMMERCIAL AND MONEY MATTERS.

One Stock of Bonds for see Wards Post.
FARMLAND, March 22.—P. M.

In Stocks the market is variable. Some of the Standard oil men while others are heavy, Cannon and Esso are strong, and the Erie Bonds were on demand at \$94; Long Island, Norwich, are very heavy. For Government stocks there is less demand, and the speculators are eager. Hudson River improved a little from the decline of yesterday.

In Exchange there is nothing doing. The supply of gold was greatly exhausted by the demand for the steamer, and the quotations are now nominal at the closing prices. Sterling, £100, £100.50.

The market is heavy for Freighters and but little doing for Liverpool. Some Cotton has been taken at \$2½ a bbl. Corn is \$12½ bbl. Deadweight, 1000 lbs. To Haven for Coal, and tonnage light. To California the engagements are at \$60,000 per ton for San Francisco, and \$125 per Sacramento. Two ships were sold yesterday probably for the California trade, one the Halcyon for \$30,000, the other the Excellent, for \$20,000.

The receipts of the Erie Railroad yesterday were \$7,000, the largest receipts ever known in one day on the road.

The Hudson River Road has decided, we hope, to pay the interest on the stock in house in script instead of money.

The operations in Insurance Script the present week have been small. The price one too high for active business.
